Autism Services .GROUP

CERTIFICATE
OF COMPLETION

This is to certify that:

Yele Ige

Has successfully completed the training:

Combined ADOS/ADIR Training

Held on 23rd -27th November 2026

This certificate confirms that the participant has successfully completed comprehensive training in the administration and coding of the **ADOS-2 (Modules 1–4) and the ADIR**.

The programme included theoretical instruction, practical demonstrations, supported practice, and competency-focused coding across all modules. Participants developed knowledge and skills in the standardised administration, observation, scoring, coding, and clinical interpretation of the ADOS-2 within neurodevelopmental assessments. The combined training represents a total of **38 hours of Continuing Professional Development (CPD)**
